## President's Message

A Cappella Niagara (ACN) is a male chorus that shares its love of song with audiences in the Niagara region. We maintain a high-quality repertoire that includes old and new songs in many styles including ballads, rock, jazz, spirituals, Broadway show tunes, and seasonal favourites.

Our chorus welcomes new members. **If you enjoy singing, I invite you to visit a rehearsal.** We meet at Fonthill United Church, 42 Church Hill, Fonthill, ON. Rehearsals are from 7:00 to 9:00 PM

most Tuesdays, September through June. Go to our web site or call me to learn more about singing with ACN and check our calendar.

Last fall we ran a Yuletide Sing Program which gave participants a chance to try barbershop singing at no cost and without any obligation to continue. Program participants learned 8 holiday favourites and performed them with the chorus at our Christmas show. Several participants decided to continue with the chorus while others were happy to sing with the chorus but did not continue. The program provided a good opportunity to learn about the chorus and barbershop singing in a relaxed setting and then to experience the joy of performing for friends and family. It is likely we will repeat the Yuletide Sing Program in fall 2024. If you know someone who might enjoy such an experience tell them about the Program and encourage them to visit our chorus website this summer for information about the Yuletide Sing Program.

The return to performing at the Annual Candlelight Stroll in Niagara-on-the-Lake was an exhilarating experience. We entertained for over two hours and many strollers remained to listen to our complete set, which we performed several times over the evening. We enjoyed the support and response of the audience to our holiday performance.

Last summer a close to capacity crowd enjoyed celebrating the 50th anniversary of the Niagara Barbershoppers Corn Roast.

We were pleased to recognize several individuals who were key players in starting and running the event for many years. This year's Niagara Barbershoppers Corn Roast is Saturday, August 17, 2024. It is a family friendly event that is open to everyone. See more details about the Corn Roast in this brochure and on our website listed below.

It is with great sadness we extend our condolences to families and friends on the passing of Larry Sheehan. He was a long time member of ACN who brought humour and commitment to the chorus. He will be missed.

While sharing its love of song, A Cappella Niagara raises funds to support charities such as **Harmonize for Speech**, which helps children who have speech impediments, and **Sing Canada Harmony**, which supports equal access to vocal music for Canadians of all ages. Each year we contribute 10% of the proceeds from our annual show to one of these national foundations or a local charity. Proceeds from our 50/50 raffle at the Corn Roast are donated to the **Niagara Children's Centre** in St. Catharines.

A Cappella Niagara is fortunate to have the support of many area businesses as demonstrated by the advertisements in this brochure. We appreciate their generous support and encourage you to patronize these businesses and professionals. Let them know you value their support of A Cappella Niagara!

I look forward to another year serving the members of this remarkable chorus. It offers the novice or experienced singer many opportunities to experience the joy of singing. To find out more about the chorus visit our web site or call me.

## **MEET OUR MUSIC DIRECTOR Jim McConachie**

Like many of us, Jim got his introduction to vocal music through the primary and secondary school systems. Singing in school choirs led to participation in Broadway style and Gilbert and Sullivan productions and then to a college level jazz choir. After school, a move to Burlington to start a career as a paramedic brought Jim into touch with barbershop harmony.

'Roadshow' – the Burlington barbershop harmony chorus – was a natural move. Jim sang with the chorus and with several quartets in that chapter. After several years with

the chorus, Jim took on the role of performance coach for the group and helped the music team take the chorus to several Ontario District Championships.

A job move in 2001 took Jim to Grey County Paramedic Services, where he became the music director of 'Encore!' – the Owen Sound barbershop harmony chorus. Under Jim's leadership, 'Encore!' grew from a small group of ten or so into a thriving chorus of thirty men. They quickly became one of the more popular vocal ensembles in the Grey/Bruce region.

Retirement and a return to the Burlington area seemed a perfect time to join A Cappella Niagara as music director. He is enjoying his work with our chorus to develop an entertaining musical performance package.

Over the course of several years, Jim has studied choral direction and vocal performance at the Barbershop Harmony Society's summer college program at Missouri Western State College. His quartet accomplishments include several chapter level quartets, top five finishes in District and International Preliminary contests with 'Q. E. Connection' and most recently top ten finishes in International Preliminary contests with 'Three'.

Jim and his partner Jennifer enjoy snowboarding in winter, sea kayaking and camping in summer, and have taken up the sport of wine hunting in the between seasons.

# MEET OUR ASSISTANT MUSIC DIRECTOR Phil Sheehan

I grew up in a home full of Music. My mother Mary (Howe) Sheehan was a singer, teacher, and a children's choral director. She became the first Musical Director for the Separate School board of St. Catharines.

I became aware of Barbershop music from an ad my Wife Mary brought home from Bob Laing's Pharmacy in Fonthill. It sat on my desk for a year before I attended my first rehearsal, and the harmony hooked me immediately. Like most involved, I wished I had started years before.

I have been singing with A Cappella Niagara since I started about 24 years ago. I also sang with the Batavia and Buffalo NY choruses and won the Seneca Land District championship twice allowing us to compete in Kansas City and Philadelphia.

I've sung in a few quartets including Forward Motion, New York Minute, Central Park, and Heritage. New York Minute won the Seneca Land District senior quartet championship and Heritage won the Ontario District senior championship. I usually sing lead but in one quartet I tried baritone, which is a true test of whether one can sing harmony.

I attended a few directors workshops in Ontario and the Level One class at Harmony University in Nashville, TN. I enjoy directing and find I learn a great deal by observing other directors; and, of course, actually directing our chorus when given the opportunity. In my new position as Assistant Director I'm working on learning our chapter repertoire. Thanks Mom.

# **New to Singing? Never Sung before? Enjoy Singing? Why Not Sing With Us?**

Discover a cappella harmony like you've never heard it before. Visitors are always welcomed to listen, learn and participate at our rehearsals. At A Cappella Niagara we believe in the power of singing to lift your spirits, put a bounce in your step, and help an individual to grow and learn in an environment of fellowship and fun.

Everyone in the chorus was new to singing at some point in time. In fact, 1 out of every 10 men will be involved in singing with a large group at some point in their lives, and each of those men had to take a first step. Many of our members had little musical experience prior to joining us!

A Cappella Niagara welcomes men from all walks of life. Regardless of your musical background, we encourage you to visit a rehearsal, meet a few of the guys, and discover if membership is right for you! We rehearse from 7:00 to 9:00 PM most Tuesdays, September through June at Fonthill United Church, 42 Church Hill, Fonthill, ON.

## Service to Our Community

Robert Laing

Since its founding, A Cappella Niagara (ACN) has shared the joy of singing with the community by performing at places and events such as the St. Catharines Hospital, Santa Claus parades, the Candlelight Stroll in Niagara-on-the-Lake, malls, and retirement homes. ACN has participated in the Festival of Lights and the Queen Victoria Park stage in Niagara Falls. In Fonthill, chapter quartets have performed at the 'Christmas in Pelham' and the chorus and quartets have sung at 'Summerfest' and the 'Concert Series.' Other singouts include the M&M Fund Raiser for Crohn's disease and Colitis in St. Catharines, the Fort Erie Optimist Club Fund Raiser and a concert for the St. Andrews Presbyterian Church in Welland. ACN performed for the C.D. Howe Institute banquet in Niagara-on-the-Lake and at the Welland Community Wellness Centre summer series.

In 2015 ACN became the organizer and host for the Niagara Barbershoppers Annual Corn Roast, which was started and run by the Singing Saints for 45 years. The Corn Roast, which raises funds for the Niagara Children's Centre, takes place every August in St. Catharines.

ACN is proactive in supporting youth by inviting their participation in our annual shows. Participating groups have included school quartets, school and community choirs, jazz choirs, jazz bands, the Chorus Niagara Children's Chorus, and a school drama club.

Our singouts, youth participation in our shows, co-sponsoring a singing course at Niagara College, and donations to charities such as 'Harmonize for Speech' and 'Sing Canada Harmony' as well as local charities demonstrates ACN's commitment to our community.

## Larry Sheehan

A Cappella Member  
who is no longer with  
us.

1934 – 2024

Larry passed away peacefully on April 13, 2024 in his 90th year. He was surrounded by his loving family at Hospice Niagara. His many nieces, nephews and friends will sadly miss him.

Larry was a man of great faith and a generous gentleman who would do everything possible for his family and loved ones. He had a fabulous sense of humour. Throughout his life he actively contributed to his community as a member of the Jaycees, Kinsmen Club, The Gyro Club, and Knights of Columbus.

With his mother Mary (Howe) being a music teacher, it was inevitable that Larry (and his brothers David (deceased) and Phil) would have music in their souls. Larry was 'all things music.' He enjoyed a variety of music by singers and groups such as Nana Mouskouri, Mel Torme, Frank Sinatra, Sarah McLaughlin, Bobby Duran, Jeanette Reneau, Pentatonix, and Queen, among many others. In his younger years, Larry was a member of the Merritton Grenadiers Band. He genuinely enjoyed singing with A Cappella Niagara. He joined the chorus in 2001 and continued as a member even when he could no longer sing with the chorus. The members of A Cappella Niagara offer their condolences' to his family.

## THE DREAM OF ACN

Robert Laing

A dream of moving forward musically and becoming better performers was realized when 18 men united to form a new Chapter on July 23, 1998. The charter members were: Howard Bogusat, Gary Carr, Stan Carr, Michael Cockhead, Jym Cummings, John Donald, David Laakso, Braydon Labelle, Robert Laing, William Laing, Douglas MacDonald, Dylan Moore, Derek Stevens, Neville Stevens, Paul Thrower and Ronald Wills. The name "A Cappella Niagara" was chosen by the executive which represented the membership. The first executive was formed in 1998 and consisted of the following charter members: President – Robert Laing, Secretary – William Laing, Treasurer – Derek Stevens, VP Chapter Development – Stan Carr, VP Music & Performance – Jym Cummings, Chapter PR Officer – Stan Carr, and Chapter Chorus Director – David Chubb

The sponsoring chapter was the Friends of Harmony from East Aurora, NY and the Inaugural Show was held at the Redeemer Bible Church in Niagara Falls, Ontario on February 27, 1999. Our mission was to promote music and charity in our community. We were dedicated to support music for youth by showcasing them whenever possible on our annual shows. To fulfill our dream, ACN wishes to support our Ontario District and Peninsula Division to the best of its abilities.

## A Cappella Niagara Chapter Quartets & Duo

### **JAQ**

JAQ is a Registered Barbershop Quartet and has been singing for the last 10 years. We started singing as chorus members of A Cappella Niagara spending time learning our respective parts under the direction of Derek Stevens, considered one of the

finest young directors in the Ontario District.

Our A Cappella Niagara experience provided us the opportunity to become one of the premier a cappella quartets in the Niagara Region. We have performed at numerous venues and celebrations throughout Niagara including singing Christmas Carols for Niagara Falls Mayor Diodati and his family. JAQ, our unusual name, is pronounced Jack and is an acronym for Just Another Quartet. We are comprised of Tenor-Jym Cummings, Lead-Kerry Russ, Baritone-Dan Roy, Bass-Howard Bogusat. We are now booking for the Holiday Season and would be happy to sing for your Christmas party. Please contact Kerry 289-241-6626 or email [kruss902@gmail.com](mailto:kruss902@gmail.com).

### **Easy Street**

We formed Easy Street in 2022 with the intent of having a second quartet available to perform with A Cappella Niagara and step in for the chorus when the full chorus is

not available to perform, or a smaller group is called for. With Jym Cummings (Tenor), Bob Laing (Bass), Jim McConachie (Lead) and Jim Parker (Baritone), the quartet brings years of singing experience to their performances. As the name implies, our repertoire includes 'Easy' beat songs from the 40's and 50's made popular by artists like Frank Sinatra, Ella Fitzgerald, Doris Day, and The Platters. To contact Easy Street email us at [infoniagarasingers@gmail.com](mailto:infoniagarasingers@gmail.com).

## Little Strummer Boys

**Don Peterson** and **Rob Tripe** are The Little Strummer Boys, playing ukuleles, kazoos and what ever else they can find. Their music is an eclectic mix of ballads, folk songs and up-beat popular songs from the 1920s up through the 1990s, bringing in a cappella harmonies wherever they can; mixed in just for fun are humorous and sing-along songs.
